TOURNAMENT DIRECTOR'S WELCOME

On behalf of all of us here at Crown Melbourne, and particularly the Crown Poker Operations Team, it is my absolute pleasure to officially welcome you to the 2020 Aussie Millions Poker Championship. You'll notice the 2020 Aussie Millions has undergone a rebrand – but rest assured the Championship schedule has remained front of mind since the last card of the 2019 series was dealt. As a result, we are confident that the finished product will not only excite and tempt players of all experience levels and bankrolls, but will also ensure that there truly is "something for everyone".

The 2019 Aussie Millions Championship saw numerous records broken – many thought previously unachievable. These include:

- Largest ever Main Event field – 822 players

- Largest >$1,000 buy-in Tournament ever staged in the Southern Hemisphere – 2019 Opening Event (1,752 entries)

- Largest ever number of satellite seats generated for the Main Event – 490 seats

While there is no doubt the 2020 Schedule has a different "look and feel" to usual, we remain confident of replicating these figures throughout the 2020 Championship Series.

The "Big Blind Ante" concept has been implemented across all No Limit Holdem Events. In addition, friendlier dinner breaks and end-of-play finish times; simpler satellite scheduling and less "cross complex" moves remain a focus as we look to 2020, and we feel confident that the end result will ensure players have the optimum conditions from start to finish.

Another promise from the team is to continue to provide some of the largest number of Main Event satellite qualifiers seen the world over. While continuing to "stand alone" from online partners, 2019 saw us generate an unprecedented number of Main Event qualifiers, with 490 Main Event seats generated through local in-room satellites alone.

In order to continue our promise of ensuring players of all abilities and bankrolls are presented with an opportunity to take their seat at the largest Main Event in the Southern Hemisphere, the Aussie Millions satellite campaign has grown into an "all-year-round"

Aussie Millions Customer Liason Manager, Hayley Breen and Tournament Director, Joel Williams

project. With 2020 Main Event seats secured as early as just five weeks post-2019 Aussie Millions, our Satellite campaign remains one of our top priorities.

Should the cards not fall your way, always remember that there is an endless amount of activities and attractions around the Crown complex throughout January to keep you more than occupied and entertained. From world-class dining at Rockpool, Nobu and Dinner by Heston; after hours fun at Holey Moley and Ocean's Twelve; as well as the luxury that Crown's three multi award-winning Hotels have to offer, Crown Melbourne truly lives up to its reputation as a "World of Entertainment".

When the desire to stretch your legs takes hold, please be sure to explore all that Melbourne has to offer. Melbourne has an endless supply of music festivals, sporting events, markets and Broadway musicals – all of which are particularly prominent throughout January. See our Host Team should you require bookings or further information. And, last but not least, don't forget that the Australian Tennis Open (held at Rod Laver Arena) is just a 20-minute walk from the Crown complex. The Southern Hemisphere's only Grand Slam continues to attract the world's tennis elite year after year.

The entire Crown Poker Room and Poker Operations Team remain committed to providing a Championship Event that ranks amongst the world's best and feel certain that the 2020 Aussie Millions will exceed your expectations in every way possible – I wish the very best of luck to all involved.

ARE YOU IN?

JOEL WILLIAMS
Tournament Director – Crown Melbourne

THE 2019 WINNER
BRYN KENNEY

The winner of the largest ever Aussie Millions Main Event in history has been crowned, with Bryn Kenney of the USA coming out on top with a first prize of AU$1,850,000 and the custom made diamond-encrusted gold bracelet by ANTON Jewellery valued at AU$25,000.

The 2019 Aussie Millions AU$10,600 Main Event attracted a record breaking field of 822, defeating the mark of 800 set in 2018 and in the process created a huge prize pool of AU$8,220,000.

With over AU$34,000,000 in lifetime earnings, Kenney was the biggest name on the final table and there's a good reason for it. Despite coming in to the final table as the short stack at only 920,000, Kenney quickly caught up and by the 73rd hand, was back in the top three.

Describing Melbourne as "one of the best stops in the world and now his favourite city," Kenney is usually seen playing high five-figure tournaments all across the world, but this was only his second career cash at the Aussie Millions, since a second place in a Pot-Limit Omaha event back in 2015. This win was his fifth five-figure cash and has no doubt showed that he has the skills to run up a short stack in such a high pressure environment.

"I've had bigger wins than this but being in this city and having a good time with these people makes this win really sweet," said Kenney. "During the tournament, every time we break, 2-3 people want to take a picture with me and that's how it should be - watching great poker and having a good time with the players."

Runner-up Mike Del Vecchio (USA) and third-place finisher Andrew Hinrichsen (AUS) entered the final table with 5,465,000 and 5,300,000 respectively and after 31 levels, successfully secured their place in Aussie Millions history.
